Dear Olumide,

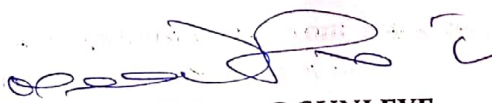

LETTER OF CONGRATULATIONS

On behalf of the leadership and members of *Egbe Amofin ni Eko*, I hereby convey to you our congratulations on your emergence as President-elect of the Nigerian Bar Association.

We are optimistic that your track record of service to the bar, especially as Chairman of the Section of Business Law, and your promise to take a 24 month sabbatical from law practice to serve the association, would be brought to bear to take our association, the NBA to greater heights.

Please accept the assurances of our individual and collective support for your administration and for our noble mother association.

Yours faithfully,
EGBE AMOFIN NI EKO
